INFINITO

forged

Design Daniele Ardisson.

La massima espressione del design italiano concentrata in una posata.

La particolare sezione a otto rovesciato, simbolo matematico di "infinito", toglie peso alla struttura, rendendo la posata leggera e bilanciata nonostante l'elevatissimo spessore.

Completa anche delle pezzature più particolari, si abbina facilmente con piatti di forma tonda e quadrata, con e senza falda.

Design Daniele Ardisson.

The ultimate expression of Italian design concentrated in cutlery. The particular inverted figure eight profile, as the mathematical symbol for infinity, takes the weight off the structure, rendering the cutlery light and balanced despite the great thickness.

Also complete with more unique pieces, it is easily combined with round and square dishes, with and without a lip.
